

Health Education in the Real World

Creating Effective Lessons for your Students

A workshop for health educators

Thursday, August 27th, 2009

8:45 am – 3:00 pm

Duncan Lodge, Butler Hospital Campus
345 Blackstone Boulevard, Providence, Rhode Island

Join us for a day of professional development and networking regarding the health education standards and health education in “the real world.”

Topics Include:

- Characteristics of effective health education curriculum
 - The updated national health education standards
 - Functional knowledge and cognitive demand – Are students getting what they need?
 - Bring and Brag: Share your great ideas
 - Assessment in health education

Register by August 21st using the attached form - space is limited!

Workshop fee of \$20 includes breakfast, lunch and all workshop materials including the new National Health Education Standards workbook. Register by sending check payable to RIAHPERD to: 8 Kenton Avenue, Rumford, RI 02916.

Questions? Contact Karen Berard-Reed at 401-744-1852 or kberard@ric.edu
or Andrea Vastis at 401-528-7685 or avastis@ric.edu

C/O Andrea Vastis
8 Kenton Avenue
Rumford, RI 02916
By August 21st

NOTE:

A portion of this workshop will be dedicated to the sharing of lessons and strategies. Bring your lesson plans, activities, rubrics...whatever you like to share with other health teachers!

Directions to Butler Hospital campus can be found on www.butler.org

To Duncan Lodge: Enter Butler campus, drive over four speed bumps and take first left into circular driveway. Park along driveway; Duncan Lodge is the red brick Victorian building.
