Approved Products for School Vending and A La Carte Foods in Rhode Island

Each beverage and snack item listed meets the *Rhode Island Guidelines for School Vending and A La Carte Foods*, as adopted in December 2007, AND meets the nutrition criteria as specified in *Rhode Island General Law*: <http://www.rilin.state.ri.us/PublicLaws/law06/law06231.htm>.

The nutrition information for each and every product on this list was last reviewed and approved for compliance with State Law and State Approved Guidelines during November 2007. The Guidelines Group by which each product was evaluated for compliance is noted in the fourth column.

Please note that products are often reformulated and products' eligibility for this list is subject to change.

This list was developed by Kids First and is currently maintained by Kids First. Please notify us, should you find that a product on this list no longer meets RI State Law or Guidelines criteria. Also, please do not hesitate to contact us and ask us to review specific products for approval and addition to this list.
